CERTIFICATES

SMART INDIA HACKATHON - 2024

• Concrete Matress

In this idea we are creating the concrete mattress by using the recycle aggregate followed by saving the rocks (New aggregate) and give the good appearance for the slope protection by the small plants.

SMART INDIA HACKATHON - 2025

• Grey Water Management

It's wastewater from household activities like showering, handwashing, laundry, and general cleaning reducing its generation, reusing it for purposes like irrigation or toilet flushing, and recharging groundwater. Greywater contains nutrients that can benefit plant growth, making it a valuable resource.

LANGUAGE

Hindi **Fluent** - Native
English **Fluent** - Professional Working Proficiency

SKILLS

Software Skills

- AutoCAD (Basic)
- STAAD Pro (Beginner)
- Revit Architecture (Basic)
- MS Excel (for estimation and data handling)
- ETABS (Basic)

Professional Skills

- Effective Communication
- Quick Learning Ability
- Data Management
- Team Coordination
- Organizational Skills

WORK EXPERIENCE AND RESPONSIBILITY

Rajkiya Engineering College **Kannauj, Uttar Pradesh**
Training & Placement Cell | Civil Coordinator

- Volunteered in more than +10 Placement Drives in College with a placement record of +85%.
- Volunteered and organized more the +20 training programs including: FDPs (Faculty Development Program), IPR (Intellectual Property Rights), Accreditation Program on NAAC & NBA Teaching-Learning and Evaluation and students training programs.

ACADEMIC PROJECTS

MINI PROJECTS

- Measuring Horizontal Angle by Theodolite using Repetition Method. (2024)
- Estimation and Valuation of Type - II building. (2025)

MAJOR PROJECT

- Resonance-Avoidance Speed Control for Bridges: A Self-Optimizing Traffic-Structure Interaction Framework. (2026)
